From the Branch President Wendy Haner

February is the month to honor friendship, love, and service. And it is in that spirit that I mention this as we begin to recruit members for the upcoming year to serve on the board. It is in that same spirit of friendship and service that I hope you will say YES when they call on you to help as they search for these positions. We have made some wonderful strides this year and we want to keep the momentum going as we make our branch the best that it can possibly be.

Our Asheville Branch has done a tremendous amount of work to catch us up to meet the goals of AAUW this past 6 months, but we have new goals to meet and planning to do. Using materials and ideas from the national office, we are working on more goals for the Branch to strive toward in the next two years.

We have created 5 new committees that we are excited about and looking forward to adding more as the year progresses. At the present time, we have added the following with leaders that are strong in these fields.

They are:

- Advocacy and Public Policy – Ann Sayers and Kitty Schaller
- Diversity – Eleanor Lane

- Nominating Committee– Barbara Robinson
- STEM – Cindy Stephens
- UNC-A Representative – Jan Huskey

We will create a strategic plan for this coming year and after having this approved by the board, our next hope is become an even stronger branch that we all can be proud of. Each of our efforts and goals focuses on helping women and girls to achieve their education, personal and professional aspirations.

We have a couple of great events coming up that I hope you will be able to attend. Our Branch needs the support of all of us in order to be successful so please keep your eye out for these upcoming events in March.

So I wish you a February filled with love, friendship, and continued service to our wonderful organization. I thank you for your continued support for without it, I would not be able to fulfill the duties as your President.

We stand stronger together,
Wendy Haner

Family members will hold a graveside service in Charlotte for Emily on Saturday, January 14, and a service of remembrance and celebration will be held at a later date in Asheville. Asheville AAUW Partners with UNC Asheville

Our branch's 2016 October meeting with UNCA Chancellor Mary Grant has resulted in a partnership between our branch and UNCA. The Membership Co-VPs, Linda Beltran and Jan Huskey, met with Jill Moffitt, UNCA, Associate Vice Chancellor for Student Affairs and Title IX Administrator to develop a plan of how AAUW Asheville can help support the University's female students. This is separate from the great work GEM does with the University.

First on the list is supporting UNCA's Career Center. Up to 40 UNCA female students will be invited to attend a pilot session of AAUW's StartSmart Salary Negotiation Workshop. The workshop is scheduled for April 19, 2017.

To introduce AAUW to the university, Jill Moffitt scheduled two meetings, one for female faculty/staff and another for female students. The faculty/staff meeting was held on January 18. Our President, Wendy Haner, with the participation of the Membership VPs, gave an overview of AAUW and our branch's accomplishments. The student session will be held

ASHEVILLE AAUW MARCHES IN WASHINGTON AND DOWNTOWN ASHEVILLE

Four busloads from Asheville, - as well as those who drove - were in Washington on Saturday January 22nd to participate in the March on Washington to express their concerns to the new administration. These ranged from actions by the administration to stop US efforts to address climate change, to reducing access to health care and voting rights, and many more. Up to 15 people from our AAUW branch participated.

Lynette Miller was amazed by the number of children who were there. "Children made their own signs about climate change and being kind to each other. I was inspired by the number of mothers with strollers and front packs with babies and young children. Everyone was helpful. It was so uplifting and inspiring!"

Kitty Schaller said "the huge crowds were electrifying and exhilarating, even as they demonstrated strength and kindness. In the midst of the sweet crush of humanity, women, men, and children continually helped each other over challenging

conditions, staying positive but determined. This is what democracy looks like!"

The March on Asheville drew over 7000 people and our AAUW branch was well represented with many who marched. The Asheville March was a Sister March to the March on Washington and one of many held around the world that day. People marched in Asheville wearing pink hats and carrying signs that expressed their fears, concerns and hopes. Linda Beltran, who is new to the area, expressed her gratitude for having moved to this area. "Everyone was so respectful of each other and respectful for the diverse group of speakers. It left me feeling very empowered!"

GEM Fund's Charity Garage Sale Now Slated for April 8

From **February 15 to April 1**, GEM volunteers and fellow branch members will be taking donations at various drop-off locations around the Asheville area. The sale will feature gently used items from home and garden, including but not limited to housewares, linens, tableware, kitchen ware, "whatnots," art work, frames, books, CD's and DVD's, etc. — anything, really, that could be found in your home. Items are limited, however, to ones that are small or light enough to be lifted by a single volunteer. Items must be clean, presentable, and, if applicable, in good working order.

Next week you will receive further communication from GEM regarding the sale, including specific drop-off locations and more information about items to be included.
